[illegible][illegible][illegible]

A horizontal bar chart showing the distribution of 1000 students across 100 classes. The x-axis represents the number of students (0 to 1000) and the y-axis represents the number of classes (0 to 100). The distribution is highly skewed, with a few classes having many students and many classes having very few. The first class has 1000 students, and the last class has 1 student.
